INTRODUCTION

The almighty at the time of creation showered the seeds of "SATYA GYAN" i.e true knowledge on this blessed land, Bharat-bhoomi. The Godly seeds bloomed into plants throughout Bharat and then one day, the entire universe got introduced to this "Satya Gyan" through the magical words of Swami Vivekanand. The real saints holy soul departed but his dream is still unfulfilled. The dream to see every individuals face blooming with the spontaneous overflow of pure knowledge.

Dear Parents, RIS is an effort to make each and every students face glowing with the rays of true knowledge and its practical execution. It is said that, "Necessity is the mother of invention", but sometimes necessity becomes the mother of miracle So, such miracle has taken the form of RIS.

RIS is running under the aegis of "Shri Gurudayal Singh Memorial Education Society" under kind Chairmanship of Shri Rajender Saini, a visionary person who is very well- known for his social engineering and enthusiasm for educational and spiritual acts done for welfare of human being.

RIS imparts Learner focused, Comprehensive and Concept building education to its students for materializing their dreams. Dreams do come true but it needs hard-work clubbed with a zeal and devotion. Respected Parents, it is all about RIS but please do not go by the words only. Do come to the RIS campus and feel the reality.

CHAIRMAN'S DESK

In this modern age of cut throat competitions and over-ambitiousness the need of the hour is to impart that education to our students which provides them understanding of the basic concepts of all the subjects.

We want our students to be not only materialistically successful but aspire them to be aesthetically conscious and spiritually alive.

VISION AND AIM

The vision and aim of RIS is to make proper utilization of student's potential to its peak. We want them to be introduced with the philosophy of our great saints Vivekanand, "Knowledge is inherent in man. No knowledge comes from out side; it is all inside the human being. All knowledge that the world has ever received comes from the human mind. The external world is simply a suggestion and an occasion which sets you to study your own mind. RIS endeavour is to Nurture the individual potential"

WATCH WORDS

The watchwords of RIS are as Vivekanand says,

उत्तिष्ठत! जाग्रत! प्राप्यवसन्निबोधत् ।।

उठो! जागो! तब तक आगे बढ़ो जब तक लक्ष्य प्राप्त न कर लो ।

Arise, Awake and Stop not till the Goal is achieved.

CULTURE

We want to cultivate that culture among our students which helps in social, moral and spiritual upliftment of body, mind and soul. We want to inculcate in them the sense of "Universal brotherhood" i.e

"वसुधैव कुटुम्बकम्, सर्वधर्म सम्भावा"

CHARACTER

RIS always tries not only the formation of character but its establishment in the hearts of students, we try to create such a feeling in the students **"I was good, I am good and I will prove myself good."**
