ABOUT US

RIS has been set up to build a landmark in education. Since its inception it has carved out a reputation of its own as an emerging institute of acknowledged eminence. Founded on 6th March, 2011, RIS is a private institution run by Sh Gurudayal Singh Memorial Education Society. RIS is a senior secondary co-ed school recognized & affiliated to C.B.S.E.

The school has four wings - Pre-Primary, Primary, Middle & Senior Wing. Comprehensive education system is providing equal attention to physical, emotional and intellectual development of the students to make them conscientious, responsible and dynamic future citizens. With state of the art building, all ultra modern facilities, air conditioned class rooms, indoor and outdoor sports facilities, scientifically devised curriculum and customized teaching approach, the school is capable enough to engage pupils of all backgrounds and abilities.

Our vision at RIS is to enable students to acquire, demonstrate, articulate and value knowledge and skills that will help them, as life-long learners, to participate in and contribute to the society and practice the core values of the school: Reverence, Resilience and Preeminence.

OUR MISSION

The mission of RIS is to provide all students with a high quality education that enables them to be contributing members of a multiethnic, multicultural, pluralistic society. We seek to create an environment that achieves equality for all students and ensures that each student is a successful learner, is fully respected, and learns to respect others.

WE BELIEVE

- Every child is unique and has immense potential to excel in some field of life.
- Safe, serene and stimulating environment is needed for children to flourish
- Fair, equitable and transparent assessment practices are key to build confidence in children.
- Effective and continuous communication with Parents is must for meeting Students' and Parents' needs.
- Counselling and training on regular basis is must for all stake holders [Teachers, Students & Parents] involved in Teaching Learning process
- Opportunities should be availed by students for overall development

WELCOME TO A SCHOOL A PERFECT BLEND OF CO-CURRICULAR

Mr. Rajender Saini
[Chairman]

OUR INSPIRATION

Education is important. But sometimes, some people learn what they have to learn long before they are supposed to graduate. This statement stands apt for Sh. Rajender Saini Chairman, Raj International School. His humble educational background couldn't even stop him dreaming big in life. He is a born entrepreneur who entered the business arena at the age of 16. He tried his hands in many businesses but most of the time he faced big challenges due to lack of formal education.

His biggest learning in life was his realization of importance of education in life. He ensured quality education for his children. But his love for knowledge and education took shape in the form of setting up of an institute of great repute. At the age of 62 he is enthusiastic and committed enough to make RIS a thriving institution of the city.

With regards we wish a long and healthy life for him.

WHERE WE ENSURE CURRICULAR & ACTIVITIES.

PRINCIPAL'S DESK

Dear Parents

Welcome to Raj International School [Rewari], situated in the heart of the city, our school's purpose is to educate the youth of the world to take their productive place as leaders in the global community by offering our learners a comprehensive education from Nursery to Sr.Sec. RIS offers a challenging academic environment emphasising learning, as well as social and personal.

As the new Principal of RIS, I am delighted that the school's values align with my own personal values, including the importance of trust, respect, innovation and a sense of community. I know that the development of the school over the past few years has been significant. The future will build on these firm foundations focusing on the quality of school life, especially for the benefit of our learners.

Children are our most precious resources. We find them possessing a variety of behaviors, personalities, and abilities. In order to best serve our students, it is imperative to create a comprehensive school community. Our students need to feel embraced and secure in their school. They must also experience a level of caring and support they can depend on day in and day out. It is when students experience this sense of belonging and comfort that they will be best prepared to reach their academic potentials. However, offering a truly academic environment depends on the co-curricular opportunities available to our students. Art, music, physical education, technology, along with having access to quality literature offerings, allows students to experience what I call the essentials to a comprehensive school. My job is to facilitate such an environment.

I am very proud to lead a dedicated faculty and staff who work tirelessly to create a school environment which is academically oriented and promotes excellence. We strongly believe in the importance of teachers, parents, and administrators collaborating and communicating openly and frequently. We continually improve the quality of tools of communication, including giving our parents access to an interactive website where they can retrieve pertinent information about their children's academic achievement. You are encouraged to regularly check our website and read about our exciting academic and co-curricular activities. We look forward to serving you and your children over the coming years.

WE BELIEVE IN "EMPOWERING STUDENTS TO BECOME CRITICAL THINKERS, LIFELONG LEARNERS AND WORLD LEADERS".

Respectfully,

Anil Mukhijaa
Principal

SCHOOL LIBRARY

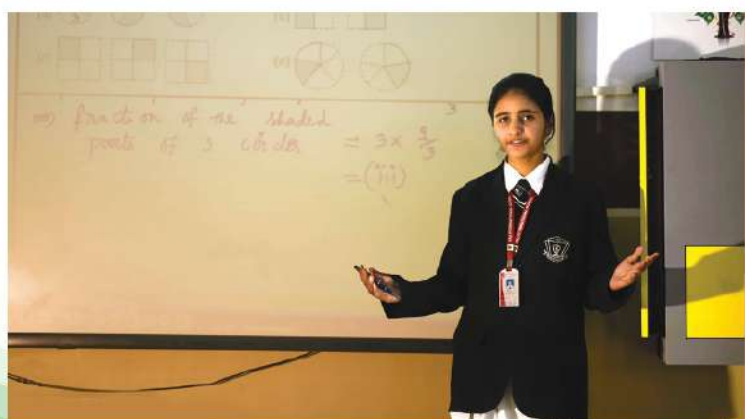

RIS is fortunate to have a library which is well stocked and has the benefit of a full-time librarian. All students are automatically members of the School Library and can borrow books on a regular basis.

RIS has the most vibrant library. Large collection of books is available keeping in mind the interest and aptitudes of different individuals. Comfortable seating arrangement and serene atmosphere of our library motivates students to enter the world of imagination with ease. World class Encyclopedias, General Knowledge books, various Fiction and Non-Fiction novels, Reference books etc are part and parcel of this library. We aim to provide the best to our students. So timely updation and inclusion of latest books is our regular practice.

DIGITAL INFRASTRUCTURE

With the launch of technological advances, the face of education has changed a lot. We at RIS strongly believe in keeping pace with this change through constant investment in the implementation and use of latest technologies. Teachers actively use them to explain concepts with the help of highly engaging visuals and animations.

This makes learning an enjoyable experience for students while improving their overall academic performance. The digital boards cover the curriculum of all major subjects and have innovative assessment exercises which enable instant evaluation of the learning achieved by students in the class.

CLASS ROOMS

It goes without saying that class room learning experiences play a very important role in the students' academic development. Class room to a student is like a second world. Our spacious innovatively arranged classrooms attract the attention of every child coming to school. Activity based learning and highly personalized care and attention become the learner's paradise along with a healthy student teacher ratio. Fully air conditioned Classrooms equipped with student friendly furniture, Smart Boards with digital content and internet connection enhance joy of learning.

LANGUAGE LAB

A new language lab to enhance the vocabulary, phonetics, pronunciation, communication skills and public speaking has been made operational.

COMPUTER LAB

Education in modern era has undergone a rapid change with the advent of information and technology. Keeping this in mind, computer education is imparted to every student. The computer lab, a unique playground for young brains, helps the child to learn and explore the IT world. The school has two separate computer labs for junior as well as senior students. E-learning program is integrated part of teaching learning process. All the computers are well equipped with latest software required to fulfill the needs of 21st century learners.

ART & CRAFT ROOM

Art and Craft room is a significant part of school's infrastructure. It acts as a platform for channelizing the creative and imaginative abilities of young students. They learn to express themselves in the most vibrant way with the help of various creative and enjoyable Art & Craft activities. Our trained art faculty contributes its best in transforming these regular experiences of class into most rewarding lessons and memories of life.

MUSIC ROOM

Our school believes in satisfying the urge and passion of every young budding musician. Thus, it has a provision to professionally teach instrumental and vocal music under the able guidance of qualified and experienced professionals. The music department gives an opportunity for learning Indian Classical and Western musical instruments.

DANCE ROOM

We have a separate artistically designed dance room in our school. Here students learn to express their feelings, their expressions through elegant dance moves. Our trained dance teachers observe and guide each moving step of our young budding dancers. Thus, it is the loving and warm environment which helps them in developing confidence and nurturing their talent.

SPORTS

At RIS, we aspire for excellence in everything including sports. Sports education not only teaches the students to maintain the physical stamina but also the habit of obedience, discipline, determination, resilience and team spirit. Sports is an integral part of the educational experience at RIS. Our trained sports coaches help the students to explore and develop their skills. Their continuous support and motivation has helped the sports champions to achieve success not only at State but National Level as well. Students who are part of the school team attend the morning & evening practice in the school for extra training and fitness.

Above all, our sportsman have always made us proud by winning top positions in almost all the tournaments in which they have participated.

RIS feels proud to have following courts of International Standards in its campus itself:

- Volley Ball Court
- Table Tennis Court
- Badminton Court
- Kabbadi
- Taekwondo

1st MULTI SPORTS ACADEMY OF THE CITY

SKATING

TAEKWONDO

TABLE TENNIS

BADMINTON

This Academy Crafted Many National, State & Distt. Level Winners

3D Cinema 1st School in Rewari

AUDITORIUM & MULTIPURPOSE HALL

- RIS has modern, aesthetically designed & air conditioned Auditorium and Multipurpose Hall .
- These are equipped with latest sound and light system, OHP projectors, motorized screen and internet facilities.
- These effectual places are being effectively used for conducting seminars, conferences, cultural programs, students' events and other important functions of the school.

3D CINEMA WITH DIGITAL CONTENT

- We take great pride in being the first school of Southern Haryana to have an in house 3D Cinema with a seating capacity of 65 people with advanced acoustics containing hi-tech sound proof systems . It is primarily acting as visual teaching resource that our teachers are using to explain complex topics or concepts.
- Science and Mathematics are subjects full of abstract concepts and as such require strong visualization and exploratory tool to understand them. Be it the usually confusing chemical bonds, confounding physical forces, intricate biological processes or complicated mathematical theorems, everything is either imperceptible or highly abstract.
- Its various rich-in-content resources, especially the animated videos and stimulations act as strong interactive tools to bridge the gap in areas that are challenging for students to understand, thus offering them a platform for interactive learning.
- For digital content the school has tied up with Eureka which has the distinction of being the largest 3D K12 school curriculum library with more than 4000 topics under its cover which sum up to over 300 hours of 3 D animated content. These include various interesting learning objects like quizzes, key-terms, images etc.

PHYSICS LAB

Well planned, spacious and well equipped Physics laboratory has all the interesting set of equipments to reinforce scientific and experimental concepts which facilitate in developing investigative skills. There are numerous models, charts, apparatus, kits and experimental gadgets which are sufficient for satisfying the curiosity of each and every scientific mind.

CHEMISTRY LAB

The Chemistry laboratory of our school is designed keeping in mind all the statutory norms and safety standards. With the proper guidance and supervision of teachers, students learn to handle apparatus and chemicals. They also improve their understanding of various chemical reactions and processes. Logic and reasoning skills that develop in this lab will go a long way in ensuring success in later life.

BIOLOGY LAB

Our Biology laboratory is well structured and designed which enables students to learn about detailed structures, morphological, histological and physiological aspects of plants and animals. All the equipment and specimens that we have in the lab are open for the students under careful supervision.

This is the place where curious minds are given a chance to 'discover' before they are 'told'.

MATHS LAB

Mathematics laboratory aims to nurture the logical, scientific and analytical abilities of students. Numerous activities, puzzles and games are planned for them which make learning fun and interesting. Students attain mastery over complex mathematical concepts through practical experiences. Thus, knowledge attained in this lab paves way for life long understanding.

SOCIAL SCIENCE LAB

Our school has well designed and equipped Social Science laboratory. Visually appealing charts, models and maps help in arousing curiosity of young minds. Learning with the help of globe, maps and various measuring scales make subject interesting for students of every age group.

ACTIVITY ROOMS

Besides having activity corners in all the Pre-primary classrooms, our school also has a Specialized Pre-Primary Activity Room, where theme based activities are available. Tiny tots thoroughly enjoy the time spent in this room with their friends and teachers as it enables them to enjoy and learn beyond the boundaries of the classroom. They engage themselves in multifarious activities aimed at honing their creativity, imagination, observation and Loco Motor skills. From a reading nook, to a tiny tot café or from art & craft corner to the RIS stage, this room offers modes and activities which can help in overall development of the students.

CCTV SURVEILLANCE

We, at RIS School, aim to provide a secure and safe environment to our students. The school security is enhanced by installing CCTV Cameras and PA system in all the classrooms.

COMPETITIONS & ACTIVITIES

- Competition provides motivation to students to demonstrate determination, creativity and perseverance to overcome challenges; and to understand that hard work and commitment leads to a greater chance of success. Believing the dire need of competition in life, RIS has a rich culture of organizing activities and competition round the year.
- We believe in providing platform to each and every student to participate in one or the other activity to build his/her confidence.

ACHIEVEMENTS AT A GLANCE

- The Awards & Achievements received by us has not only enriched the glory of the school but has also inspired us to work with greater dedication to explore and excel.
- Our students have proved themselves in different activities and competitions at District, State and National level.

TRAINING & COUNSELLING SESSIONS

- RIS is committed to cater to the overall development of children. We strongly believe in the need of organizing workshops, seminars and counseling sessions at regular intervals to help teachers, students and parents to become more conscious, aware, knowledgeable and sensitive to the changing human needs.
- Capacity Building Workshops for teachers is a must so that they can become capable of dealing effectively all the issues related to behavioral and academic aspects of the learners. They are kept updated in improving upon their knowledge, teaching methodology etc. by way of Workshops / Seminars etc.
- Parents are important stake holders in teaching learning process of the students. We also involve them in Parenting counseling sessions designed specifically to bring the parents to the same level of understanding as the child so that both the entities are good to take right decision for the betterment of the child. We invite Educationists, Psychologists, Physicians and experts to give valuable knowledge to the parents.
- Guidance and counseling are important for children, and schools have a huge role in bringing out the best in children. The students are advised on how to cope up with different situations they tend to face in their school and social life. We, at RIS, organize seminars and special counseling sessions for students on issues related to Health, Hygiene, Career, Stress Management etc. by inviting experts of national fame.

UNIQUE ACADEMIC PRACTICES

- R & D team of RIS comprising experienced teachers, experts & academicians continually works on designing Academic Curriculum incorporating with CBSE Curriculum catering to the need of every student. Each and every aspect of curriculum from selection of books to class room activities is very well thought out.
- The integrated academic system is devised to inculcate confidence in the child. The teachers aim to build an interactive ambience where children may freely express their own views. The students are examined continuously through out the year on the basis of their class assignments ,home assignments, Monthly & Yearly tests.
- We also have customized curriculum for specific learners .
- We provide and organize special classes to students who are doing excellent in academics. At the same time we organize remedial classes for slow learners.
- *SPECIAL CLASSES/ SECTION*
- *NTSE SECTION*
- *COACHING SECTION*
- *HANDWRITING CLASSES*
- *ABACUS CLASSES*
- *READING CLASSES*
- *MNEMONICS*
- *PERSONALITY DEVELOPMENT CLASSES*
- *BRAIN GYM CLASSES*
